Re: Pit Entry at Premier Speedway

Dear Ray,

Let me begin by thanking you for clear and precise correspondence with regards to your pit entry/access on January 22, 2011 at Premier Speedway, Warrnambool.

To begin the advice you received at the gate was incorrect. I have been able to address this situation with the staff member/members concerned as a direct result of the information you provided. I apologise for any inconvenience or concern caused to you by this.

You in fact purchased a One Day membership to NASR Inc.

The terms and conditions of such a purchase are available via the National Association of Speedway racing website www.nasr.com.au or by directing correspondence to the same via PO Box 269, Stepney SA 5069.

Previously information of this nature has been made available at the Pit Gate, reasons for the exhaustion of this information are not clear at this time. Premier Speedway Club will however endeavor to ensure this shortage of information is not repeated.

Once again thanks for your correspondence.

Yours in Speedway

David Mills
General Manager.
Premier Speedway, Warrnambool.
